

The Saucy Sauce Collection

Brown Sugar Ginger Glaze... Created by and for our most loyal fans, our Brown Sugar Ginger Glaze is a delicious combination of sweet brown sugar and warm ginger flavors for a taste that you can't resist. It's perfect for glazing meats, (our favorites are chicken wings, ribs or chops) roasting or sauteing veggies, or drizzling over tofu and beans!

Spicy Garlic Sauce... Made with premium, "first-press" fish sauce blended with Asian chilies, garlic and spices, this is **our most raved about sauce!** Its fiery kick and savory flavors complements just about anything. Whether cooking steaks, kabobs, making a savory vinaigrette for a hearty salad, give your food an unforgettable and delicious kick!

Fresh Lemon Sauce... Our Fresh Lemon sauce is made with premium "first-press" fish sauce and swirled with lemon zest, garlic and a touch of sweetness. **Light and refreshing,** it's a perfect complement for seafood, salad, and really any vegetable! Whip up a quick stir-fry and add this sauce to get tons of flavor!

Sweet Ginger Sauce... A must for any foodie who loves ginger! Made with premium, "first-press" fish sauce and blended with tingy ginger and other delectable spices. Mellow sweetness and a well-balanced ginger zing, it's ideal for salmon, chicken or Asian-inspired noodle salads. Great for a vinaigrette or marinade.

Sweet Jalapeño Ketchup... Our Sweet Jalapeño Ketchup is **our take on an American favorite.** This ketchup is a twist on a traditional southeast Asian "Ketjap." It is packed with fresh tomatoes, pickled anchovies and jalapeño peppers, it can be used anywhere you'd use plain 'ol ketchup for an **unexpected (and addictive) kick!**

Hot Habanero Ketchup... This fiercely spicy ketchup has even more kick than its Sweet Jalapeño brethren. Sweet and salty, it packs even more of a punch for a **mouth-watering (literally!) alternative to regular ketchup.** Our Hot Habanero Ketjap will make your tastebuds sing with heat, savoriness and deliciousness!

About The Saucey Sauce Co.

The co-founders (bro/sis duo Ken and Toan) started serving their sauces at dinner parties in Brooklyn. They realized they were onto something when friends started asking for bottles to take home. A few business moves later and The Saucey Sauce Company was born!

Our Saucey Sauces are all-natural, artisan Vietnamese savory sauces based on a **treasured family recipe**. Ken and Toan make their tasty sauces the same way their mother has for decades in Vietnam using fresh ingredients and savoriness goodness.

The sauces make great **marinades, dressings** and **dipping sauces** for just about anything! Always made with all-natural ingredients, these sauces are low calorie, oil-free, gluten-free and fat-free.

Spicy Garlic (our best-selling hot sauce with an attitude), **Sweet Ginger** (a taste of our sweeter side), **Fresh Lemon** (bright and citrusy) and **Brown Sugar Ginger Glaze** (sweet with a gingery zing).

Oh, and our **Sweet Jalapeño** and **Hot Habanero** ketchups are seriously awesome too! Both are spicy, sweet, salty, and addictive!

Saucey Sauces are the very first ready-to-serve Vietnamese sauces of their kind! Try them all and take any meal from Mild to Wild!
