What is Nuoc Cham?

Nuoc Cham is a common name for a variety of **Vietnamese home-style sauces**. Starting with “first-press” fish sauce, they are blended with **sweet, sour, salty & spicy ingredients** like ginger, lemon, garlic & Asian chilies to create **savory umami flavors**.

“Every family has their own version of Nuoc Cham and ours has the authentic taste of our family’s love, history & legacy.”

-- Bro/Sis Co-Founders, Ken & Toan Huynh
